ABOUT PATRICIAN COLLEGE

Patrician College of Arts and Science, established in 2001, is a Christian minority co-educational self-financing institution affiliated to the University of Madras and located in Adyar, Chennai, Tamil Nadu, India. Inspired by Saint Patrick the Patron of Patrician Brothers, the congregation was founded by Bishop Daniel Delany in 1808.

Guided by a mission to serve humanity through education, the Patrician Brothers have established institutions worldwide. The congregation celebrates 150 years in India(1875-2025), while the Patrician College marks its 25th year Silver Jubilee(2001-2026), continuing its commitment to holistic education, social transformation, and a strong tradition of service. With State of Art facilities, infrastructure, dedicated faculty, and diverse co-curricular and extracurricular opportunities, the college nurtures students to become responsible and skilled individuals.

ABOUT RUTH S AMMON COLLEGE

The Ruth S. Ammon College of Education and Health Sciences prepares students to become changemakers and advocates for social justice. It offers distinguished programs in Education, Communication Sciences and Disorders, and Health and Sport Sciences. Its state-of-the-art facilities, including simulation labs and research centers, provide hands-on training opportunities. The college also fosters interdisciplinary collaboration, encouraging students to work across programs to develop holistic solutions.

ABOUT ISROBO TEC

ISROBO TEC is a Chennai-based technology organization focused on robotics, artificial intelligence, and modern engineering systems. It aims to bridge the gap between theory and practice by offering training programs, technical projects, and hands-on learning. Committed to innovation and technical excellence, it equips students and professionals with industry-relevant skills and adapt to emerging technologies.

ABOUT LIRA

LIRA (Linden Institute of Research & Academy) is a premier, knowledge-driven organization in India dedicated to transforming grassroots action into evidence-based research and policy. As a unit of the Arockyaa Charitable Trust (est. 2008), LIRA functions as an independent, frontline development organization that leverages rigorous research to bridge the gap between systemic advocacy and community development. A cornerstone of this mission is its Disability Research, which integrates rights-based inclusion across all ten programmatic domains. By mapping and addressing physical, digital, and attitudinal barriers, LIRA moves beyond traditional charity

ABOUT THE CONFERENCE

ICCE 2026 is a premier gathering of global minds dedicated to comprehensive education and this year the conference is focused on the theme 'Empowerment Beyond Barriers: Global Perspectives on Education, Development and Innovation for Individuals with Disabilities'. The conference aims to bridge the gap between policy, practice, and innovation and will serve as a catalyst for creating inclusive environments that celebrate diversity and foster equitable learning opportunities for all.

The conference aims to provide a global inter-disciplinary platform for academicians, researchers, practitioners, and policymakers to examine how education, technology, mental health, policy, and development initiatives can empower persons with disabilities (PwDs) through rights-based and inclusive approaches, aligned with Sustainable Development Goals (SDGs) and the UNCPRD (United Nations Convention on the Rights of Persons with Disabilities). The conference will include the pre-conference events, Plenary Talks, Panel Discussions, and Publication of Articles and Conference Proceedings

PAPER SUBMISSION GUIDELINES

Paper must be original and unpublished, and may be in the form of research papers, conceptual papers, case studies, or policy analyses. Authors are required to submit an abstract of 250–300 words along with the online registration form, followed by a full paper of 4,000–3,000 words in .docx format. The manuscript should not exceed 8 pages and must be prepared using Times New Roman font, size 12, with single-line spacing, in a single-column layout, and fully justified.
